

2001-0088-08
USSN 10/684,089**Remarks**

Claims 29-100 are pending in the above captioned U.S. Patent Application.

Claims 29-100 are provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-22 of U.S. Patent No. 6,711,202 and copending U.S. Patent Application No. 10/684,016.

To overcome the Examiner's rejection of Claims 29-100, Applicants submit herewith two Terminal Disclaimers, one for U.S. Patent No. 6,711,202 and the other for U.S. Patent Application No. 10/684,016.

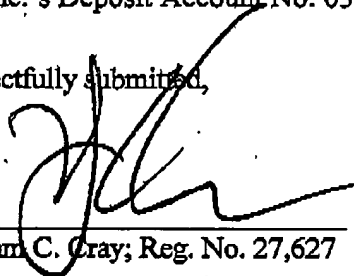

The Examiner has previously rejected claims 29-100 over claims 1-28 in corresponding U.S. Application 10/684,016. Those claims were canceled in this case by Preliminary Amendment.

The Examiner has also requested corrected drawings of Figs. 1, 2, 3, 4A and 4B in compliance with 37 CFR 1.121(d). To avoid abandonment of the present application, Applicants submit herewith Replacement Sheets for Figs. 1, 2, 3, 4A and 4B which are now designated as Prior Art.

2001-0088-08
USSN 10/684,089**Conclusion**

A fee in the amount of \$260 is believed due in connection with the filing of this Response and two Terminal Disclaimers. If any additional fees are due in connection to the filing of this Response, the Applicants hereby authorize the Commissioner to charge any fees due, or to credit any overpayment to applicants' assignee, Cymer, Inc.'s Deposit Account No. 03-4060.

Respectfully submitted,

William C. Gray; Reg. No. 27,627
